

Our Experience is Your Best Investment

- **Specialty Manufacturing**
 - * Prototypes
 - * Miniature Manufacturing
 - * Rotary & Sliding Surface
 - * Components and Assemblies
 - * Precision Deburr
 - * Elastomer & Plastic Machining & Fabricating
 - * Bonding of Dissimilar Substrates
 - * ESD — Electrical Static Discharge, Components and Assemblies
- **Multi-Task Machining**
 - * “Done in One”
- **Laser Micro Machining**
 - * Ceramic
 - * Tool Steel
 - * Super Alloys
 - * Single Crystal
 - * Laser Engraving
- **Sub Assemblies & Kits**
 - * Simple to Complex Machined Components
- **Measuring & Validation**
 - * Nano Precision
- **Precision 3D Modeling**
 - * Billet Machined in Place of Casting
- **Reverse Engineering**
- **Materials**
 - * Any Material Including: Super Alloys, Elastomers, Engineered Plastics and Ceramics
- **ITAR Registered**
- **World Class Supplier**
